What is Paverpol? Paverpol is a non-toxic and water based decoration and textile hardener. A first class product, which has acquired a prominent place among artists and hobbyists for more than a decade. Paverpol makes rock-hard materials of textile, fabrics, paper, leather, moss, tree branches. It can be used on baby clothes, silk flowers styrofoam and so much more.

From T-Shirt to Garden Faerie

Learn to make a unique Garden Sculpture in only 5-6 hours using Black or Bronze Paverpol, an old t-shirt, an armature, tin foil and Paverpol! To finish, we will dry brush your Faerie with a paint colour of your choice. This is a little more advanced class!

Your sculpture will be approximately 30cm tall.
